Example of
Our Club Shirt

Club Website: dawlishbowlingclub.co.uk available soon!!!

Your committee have designed a new website, ready for the new season. You will find all the information you need about the club and also about the rules of the game

We hope to encourage new members through the site so please share and advertise on your socials

We have created new emails for some of the committee members so they can be transferred in the future We hope you like the site!

Please note, all fixtures and club competitions will still be on the clubhouse noticeboards this will remain your main reference point!

Dawlish Bowling Club

Well here we are people, April is upon us and I bet your all-getting super excited at the prospect of the 2023 season. Well, I can't do anything to improve your bowling, but I think I can give you a better green to play on. □

Preparations for the start of the season are going slower than I would like due to the wet weather. We are trying to catch every dry day we can, but it is slowing our preparations.

DON'T PANIC, the green should be open as expected on the 15th. Please remember people; it's a work in progress, which will continue as the season goes on. There will be at least one day each month when the green will be closed for the whole day. This will be so on-going maintenance can be carried out. Keep an eye out on the new "green keepers notice board" which will be in the clubhouse for advance warnings of green maintenance days.

I hope you all have a good season and together we can have a green, which we all look forward to playing on right through to the end of September.

Happy Bowling People!

Pat Hind Green keeper
